

HEALTHCARE “SIM”posium

15 September 2023

UW South Lake Union

Schedule of Events:

- 07:45-08:00 Symposium Check-in / Continental Breakfast
- 08:00-08:15 Intro/Icebreaker - Robert Sweet, MD; Megan Sherman, MAEdHD
- 08:15-08:30 Masters and Fellowship Programs - Victoria Roach, PhD; Robert Sweet, MD
- 08:30-9:20 Key Note Speech and Q&A – Dr. Dimitrios Stefanidis, MD
- *Topic: Advancing Scholarship in Simulation-based Education*
- 09:20-9:30 Break
- 9:30-10:45 Panel: Artificial Intelligence and Computer Models for Simulation. - Dr. Austin Baird, PhD and Dr. Rachel Umoren, MD
- *Panel Speakers: Megan Gray, MD*
- 10:45-11:30 Presentation: Manufacturing for Healthcare and Healthcare Simulation - DJ Traina, Hamid Chalian, MD, Seth Friedman, PhD
- *Topic: Exploring the clinical, educational, and research applications of surgical visualization and additive manufacturing for healthcare and healthcare simulation.*
- 11:30-12:15 Lunch (Static Model Display Exhibits.)
- 12:15-1:30 Panel: Overcoming Barriers to Interprofessional Simulation – Where we are now and Recommendations for the future. – Tonya Martino, Ruth Rogers
- *Panel Speakers: Nicola Contreras, DNP, RN; Liza Rosenman, MD; Dr. Ali Ravanpay, MD, PhD, Taylor Sawyer, DO, MBA, Med, Joan Roberts, M.D.*
- 1:30-2:20 Panel: Healthcare Simulation Science’s role in the DEI revolution - Dr. Ravanpay, MD and Dr. Alnazzawi, MD
- *Panel Speakers: Dr. Estelle Williams, MD, Dr. Maya Sardesai, MD*
- 2:20-2:30 Break
- **2:30-3:30 Creating the Future of Healthcare Simulation Science: Collaboration Small Groups around above topics - Robert Sweet, M.D.
- *Moderators: Panel Leads for DEI, AI and Computer Models, 3D Printing, Interprofessional Training.*
- **3:30-4:00 Creating the Future of Healthcare Simulation Science: Presentation of Small Groups
